Dear Heads of Training Colleges

The Ontario Police College is currently engaged in a strategic planning process. We would like to ask for your assistance to help us identify trends and improve our services.

We are collecting data from as many members of Ontario police services as possible, and are asking you to forward this message *with your endorsement and that of your Chief* to all of your uniform and civilian staff. To be fully reflective of our community, it is important that we receive information from all rank and position levels.

The link <http://www.opconline.ca/phpsurveyor/index.php?sid=72> is available on our home page www.opconline.ca and will take you to a survey that should take about *ten minutes* to complete.

The survey has five sections:

1. Demographics (what do you do)
2. Your Recent Training
3. OPC Experiences
4. E-learning
5. Future Training Needs

The survey responses are *anonymous*, and no findings will be published that would permit any individual to be identified.

We are hoping that the survey will be completed by **January 24, 2012**.

If you, or your staff, have questions or concerns about the survey, please contact Ramona Morris in our Research and Evaluation Unit at ramona.morris@ontario.ca or at 519 773 4417.

Thank you for helping to improve the services provided by your Ontario Police College.
